

THE Sold Out Golf Outing

Presented by

Monday, June 10 | Grosse Ile Country Club

To Whom it May Concern:

The Southern Wayne County Regional Chamber of Commerce will host our annual golf outing on Monday, June 10, 2019 at the gorgeous Grosse Ile Golf & Country Club. The event is a popular event among our membership and regional leaders, and is a fundraiser for the SWCRC as well as a marketing opportunity for Chamber partners and members.

We have a sold out attendance including 36 foursomes, and additional attendees to total around 160 people, including civic leaders, business executives, small business owners and community professionals. We would be very grateful to have the opportunity to promote your business in our wonderful silent auction that will feature outstanding prizes from area businesses and attractions.

Thank you for your consideration! We are very grateful for your partnership!
