

Greetings Chamber of Commerce members,

By practicing healthy habits and seeking regular care, you can significantly decrease your odds of being diagnosed with cancer.

But if you were to have cancer, you may face a variety of unexpected expenses, including out-of-pocket costs not covered by your major medical insurance. Could you afford the cost of care?

Solutions Cancer Insurance Coverage is an Insurance program to assist you and your family with the unforeseen and potential expenses during treatment and recover of a cancer diagnosis.

Benefits of Solutions Cancer Insurance Coverage:

- A lump-sum express payment upon first diagnosis
- Health Advocate services and support
- Benefits for wellness screenings and tests
- Coverage for surgery, radiation and chemotherapy
- Transportation and family lodging for care-related travel
- Optional Alternative Care rider to help patients manage pain, nausea and other side effects of treatment.
- Optional premium-return rider that returns all premiums you pay for your policy, minus claims
- The 18 year old premium payroll rate with no family history, height/weight or tobacco use questions
- The opportunity to keep your policy active if you ever leave your job

We are able to offer you this valuable coverage through your affiliation with the Southern Wayne County Regional Chamber.
